Chartered Accountant Board Exam (Applied Learning Programme)

Durban

OUR WORLD IS CHANGING...SHOULDN'T YOU?

Chartered Accountant Board Exam

About this programme:

The purpose of the Chartered Accountant Board Exam (CABE) - Applied Learning Programme (ALP) is to adequately prepare students to successfully answer SAICA board examination questions.

This programme has been developed to bridge the gap between a formal academic qualification and the board examination. As such the programme will focus on revising previous knowledge and using it to answer past board examination questions. The participants will be expected to do pre-reading and discussions will be facilitated by experts in the respective knowledge areas.

How you will benefit. You will learn to:

- Correctly identify and apply examiner instructions
- Develop a time management plan
- Analyse a case study
- Extract pertinent information from a case study
- Apply technical accounting knowledge and business skills to solve the problem
- Apply relevant skills to solve the problem
- Make meaningful recommendations based on all the facts

Key focus areas:

- Financial accounting
- Managerial Accounting and Finance
- Taxation
- Auditing

Who should attend:

Participants on this programme will be recently qualified students holding a Postgraduate Diploma/Honours in Accounting and who qualify to write the SAICA ITC board examination. Participants can attend from the UKZN PGDA class and UNISA students residing in KZN, as well as any external participants who meet the entry criteria

Entrance requirements:

Participants will hold a Postgraduate Diploma/Honours in Accounting as a pre-requisite for the CA(SA) Board Examination

Programme fee:

The programme fee of R3 950 (incl. VAT) covers tuition and instruction material

Duration:

Four Days

Dates:

For updated start dates, please contact us or see our website: www.ukznextendedlearning.com

Facilitators include:

Dr Suren Pillay

Dr Pillay is an academic co-ordinator in the School of Accounting, Economics and Finance at UKZN. He is also an author (Art of Intelligence, Passing Examinations Easily, A Master Guide to Financial Analysis and Valuations), motivational speaker (Local Government/SAICA/ABASA), poet, philosopher and writer. He has 7 years of corporate experience working with SARS (South African Revenue Service).

Raj Rajaram

Raj is a lecturer in the School of Accounting, Economics and Finance. He is a Chartered Accountant with a research master's degree that focused on financial management and accounting skills in the SME sector. After a career in commerce that included senior executive positions in private and public service, his focus lies in the restructure and rescue of underperforming entities.

Geoff Noble

Geoff is a Chartered Accountant and CFA Charterholder with 9 years financial services experience. He is currently a Portfolio Manager at Grindrod Asset Management and has held a position at Deloitte Australia as a senior analyst in corporate finance. His experience includes corporate finance, financial modelling, due diligence, corporate advisory, valuations, investment analysis and portfolio management. He is a member of Chartered Accountants Australia and New Zealand, The Investment Analysts Society of South Africa and CFA Institute.
