CUSTOMISED PROGRAMMES

We are also able to provide customised and/or in-house programmes for clients, uniquely designed to meet specific development needs across public and private sectors, including Management and Leadership development programmes, and niche offerings in areas such as Executive Leadership, Occupational Therapy, Monitoring and Evaluation, Renewable Resources (Water and Energy) and Work Readiness (new entrants to the workplace).

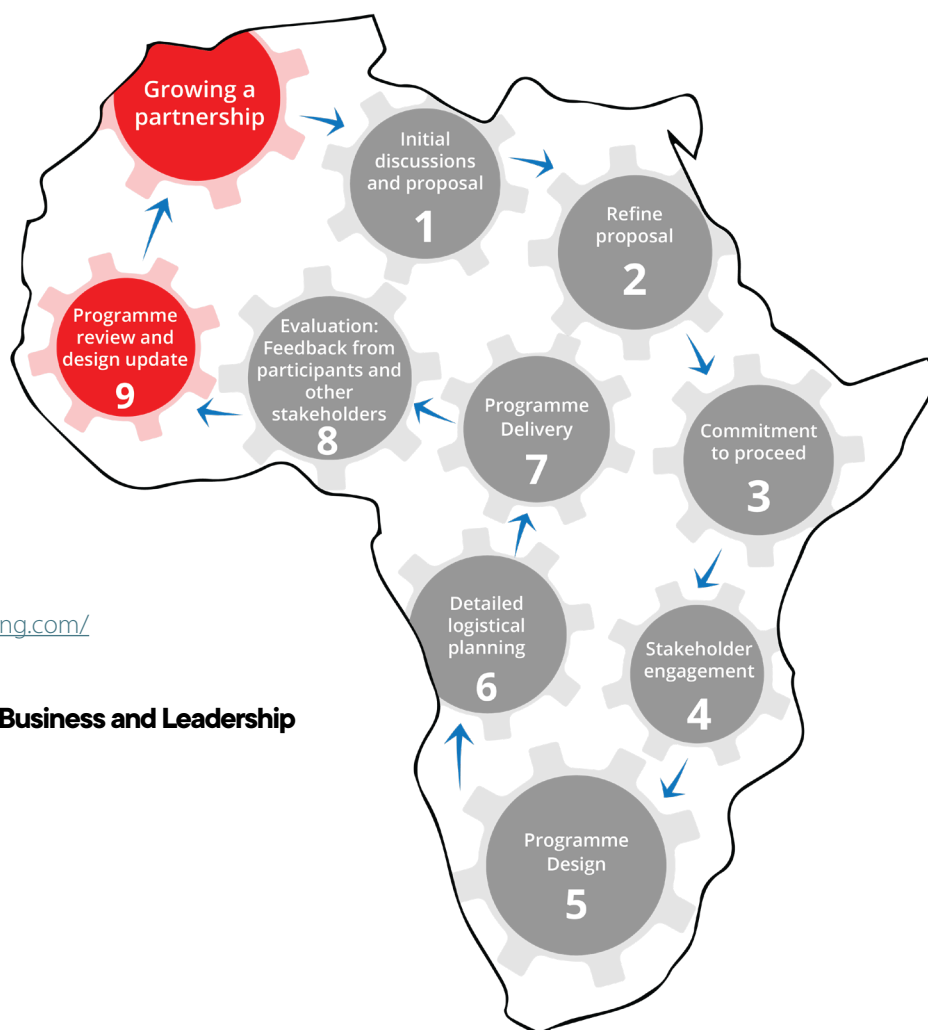

We are able to customise existing programmes to ensure your identified learning and development areas are adequately addressed, or work with you in developing completely new programmes based on niche learning areas.

Should you wish to meet and discuss your training and development needs, or wish to have a programme specifically designed for your organisation, please contact any of our colleagues:
